

Lily: Quarter Horse Mare

Foaled: 1993

Height: 15.1 hh

Weight: 947 lbs

Markings: white snips
on nose

Sponsored by Rick Rackow.

Lily: Our staff could not believe their eyes, when Lily came to Winslow -- a pure black Quarter Horse; such a rare sight! She is a curious gentle horse that likes to explore her surroundings and is very friendly with her pals, both 2 and 4 legged. Lily is a wonderful addition to our horse staff, and just the right size for everybody. She was donated by Sheerie Benedetto.
