

Neil: Norwegian Fjord Gelding

Foaled: 1982

Height: 14.1 hh

Weight: 1064 lbs

Markings: Dorsal
Stripe

Available for Sponsorship

Neil: What can we say about Neil that could possibly describe how wonderful he is? He is a Norwegian Fjord with a glorious mane that stands up on end! He is round and cuddly, with a happy and "smiling" disposition. He is a huge favorite with everyone who comes through the barn. Don't

even think about it - he does NOT fit into your pocketbook or rucksack. Neil is free leased to Winslow from Jan Ashe.
